

Washington State Conservation Commission

Come learn more about the **Voluntary Stewardship Program** at one of our informational sessions. We will review the statutory requirements for participating in the VSP (RCW 36.70A.700 through 760), what to consider when initiating the local program, discuss lessons learned from the two pilot projects in Chelan and Thurston Counties, and answer questions from participants.

Lunch will be provided for attendees. Please RSVP by the dates listed below.
